

E-newsletter : European Economic Chamber (EEC)-Nepal, July 2017

European Chamber EXPO slated for November 2017

We have the pleasure to inform you that European Economic Chamber (EEC) Nepal is organizing an EXPO from November 3 – 5, 2017 in Kathmandu. The event will be a great opportunity for EEC Member Organizations, Nepalese entrepreneurs and corporate houses to expand their network, learn and share with the European counterpart. EEC-Nepal anticipates dynamic business personnel, members from donor agencies, diplomatic community and general public to attend the program which includes networking and break-out sessions.

We cannot guarantee the fact that without the backing from our business colleagues the event would be a success. At the Expo your product and services portfolio receives a competitive edge in the market place that are in demand. The event is being organized with the following objectives:

- Endorse, advertise and popularize European/Nepalese products, services and networking
- Increase business contacts and relations between Nepalese and European companies
- Promote and publicize European companies to increase market share in Nepal
- Promote and publicize business and investment opportunity in Nepal for European companies
- Exhibition of European Embassies/Donor Agencies Bilateral Socio-Economic development activities in Nepal

Over the years, European products and services particularly in the in the domain of power generation, waste management, IT, high-tech industries, agricultural cash crop, non-timber forest products and minerals have been able to earn overwhelming responses from the general public and business sectors.

In order to organize the event in a striking scale

EEC-Nepal seeks the cooperation from all member companies, stakeholders ranging from imports/agents of European products, donor agencies and European companies to participate at the said program.

Following institutions will be invited to exhibit and promote their products and activities of public interest at the exhibition:

- Nepalese products and catalogue (exporting to Europe)
- European companies doing business with Nepal
- Joint ventures between Nepal and Europe
- Nepalese agents representing business interest of European companies
- European donor agencies to demonstrate their programs activities in Nepal

EEC-Nepal invites you to be a part of this grand event and take this occasion to grow your business network, learn and share your experiences with counterpart in Europe.

European Food Festival and cultural program will be organized on the sideline of the event to provide culinary specialties of European food and drinks and also European Culture.
