Dear Pravakar

We have now been able to have a good look at the specific activities which were to be undertaken by the CCISS and are keen to help out as much as possible.

We are happy to take over:

1.1.2) Chamber Management and Membership recruitment. This would be led by my colleague Peter Bishop, Deputy CEO of the London Chamber of Commerce. As you know he is conducting the seminar on doing business in with EU/UK which we plan to run the week commencing 5 May 08. When he visits for that seminar Peter can discuss the best format for the Chamber management and membership recruitment module, and is keen to do this.

1.1.3) Seminar on Match Making/Fairs and Exhibitions scheduled for October 08

1.1.4) Seminar on International Documents and Payments, and Regional Policy in Economy and Infrastructure scheduled for July 09.

Your note also covers the more general topics of 2.1.1, 2.1.2, 2.2.1, and 2.2.3 to which the London Chamber will already be contributing as part of the current programme. Naturally we are happy to input as much as possible but need further advice on the additional input to cover Sweden's part.

I look forward to your further advice and in particular, confirmation of our date 5-9 May for activity 1.1.1 Seminar on doing business with EU/UK.

Kind regards

Annabel

London Chamber of Commerce & Industry

Dear Annabel:

The attachment contains the list of activities that Sweden Chamber was supposed to undertake. Please give me your inputs as to whether LCCI will be able to undertake the same in the absense of sweden Chamber.
